Lincoln's Advice

I like to see a man proud of the place in which he lives. I like to see a man who lives in it so that his place will be proud of him. Be honest, but hate no one; overturn a man's wrong doing, but do not overturn him unless it must be done in overturning the wrong. Stand with him while he is right, and part with him when he goes wrong.

TAFT AND SHERMAN

Elected by Substantial Majorities. Have 298 Electoral Votes and 13 Doubtful

REPUBLICAN VICTORIES

Chronicle in Every Northern State with Possible Exception of Nebraska.

—Governor Hughes of New York Re-elected by 76,000 Plurality—Taft Carries Greater New York—Ohio Gives Taft 50,000—Missouri Goes Democratic Again—Indiana and West Virginia Remains in Republican Column—Vermont Vote Fell off—The Story in Tabloid.

General election returns received up to an early hour this morning show following results:

William H. Taft elected president with 298 electoral votes secure and 13 doubtful.

Practically no change indicated in complexion of national House of Representatives.

The United States Senate will retain present republican majority.

Gov. Charles E. Hughes re-elected in New York by about 76,000 plurality.

Indiana for Taft by from 15,000 to 18,000 plurality.

Bryan apparently has carried Nebraska although the republicans still claim the state.

Taft carried Ohio by a majority ranging from 50,000 to 75,000.

Taft carried New York City by about 11,000 plurality this being the first time the city has given its vote to a republican presidential candidate since 1896.

Mr. Taft received a greater plurality in New York State than President Roosevelt did four years ago, the indications pointing to 202,000 for Mr. Taft as against 175,000 for Mr. Roosevelt.

Indications are that democratic governors have been elected in several middle western States.

Mr. Taft has exceeded Mr. Roosevelt's plurality in New Jersey and Massachusetts as well as in New York.

Speaker Cannon has been re-elected. Representatives Payne of New York

and Dulzell of Pennsylvania reelected and House of Representatives probably will continue under its old regime.

Missouri has returned to the "solid South."

Mr. Taft carried practically every so-called doubtful State except Nebraska, where indications point to democratic victory.

Mr. Bryan carried Nevada, Montana and the solid South which includes Missouri.

Returns from Colorado and Maryland too meager to form definite conclusions.

Lamoille County's Vote

The vote in Vermont is 27,000 majority, a falling off from the September vote but about the same as in 1904. Lamoille county cast a total of 1841—just thirty more than in 1904. The republican majority is 120 less than in 1904, while the Democracy gain 13 and the Prohibitionists 9. Here is the complete vote by towns:—

A NUCLEUS FOR HOSPITAL FUND

Tag Day in Morrisville a Big Success About \$250 Realized for New Hospital Fund.

If any Morrisville resident or visitor escaped a tag, yesterday, he should not feel slighted, but rather charge it to an oversight on the part of one or several of the fair sex, who with such unanimity and generosity gave their services to the cause. The event was unique and certainly interesting and viewed from any standpoint was a pronounced success.

Men, women, children, animals and houses were bedecked with tags, varying in numbers and sizes, representing amounts from one cent as high as the victim allowed his generosity to lead him. As the returns are not all in, it is impossible at this time to give the exact figures, but it is safe to place the amount at around \$250. As a popular subscription, which very likely averaged less than twenty-five cents, the results were encouraging to say the least. A gift of \$10 was received from Hon. H. H. Peck of Waterbury, Conn., which is much appreciated. Arrangements for the event were made the latter part of last week, as follows:

Headquarters were at the Randall, Mrs. F. R. Child, patroness, assisted by Mrs. Geo. Tillotson and Mrs. P. L. Barnes, Elmore St., Mrs. J. J. Jackson, patroness, assisted by Mrs. W. M. Sargent, Upper Main St., Mrs. J. M. Kelley, patroness, assisted by Mrs. C. H. Crane, Main St. (From Town Hall to Randall) Mrs. G. L. Bates, patroness, assisted by Miss Ida Niles, Mrs. M. P. Morse, Jr., Mrs. C. H. Raymond; Congress St., Harrison Ave. and Winter St., Mrs. E. E. Foster, patroness, assisted by Mrs. Harrison Dodge; Union and Court Sts., Mrs. A. H. Slayton, patroness, assisted by Mrs. W. T. Slayton; Maple St., Cherry Ave. and Olive St., Mrs. C. F. Smith, patroness, assisted by Mrs. J. R. Parker and Mrs. F. K. Graves; Park St., Mrs. A. W. Stone, patroness, assisted by Mrs. E. W. Webster and Mrs. G. N. Kellogg; Pleasant Huts and Bridge Sts., patroness, Mrs. Ida Churchill, assisted by Mrs. E. H. Stone; Portland St., Mrs. C. C. Rublee, patroness, assisted by Mrs. W. A. Beebe, Mrs. H. A. Slayton, and Mrs. G. P. Drowne; Brooklyn St., Mrs. C. A. Gile, patroness, assisted by Mrs. Mira Heath; post-office, Mrs. J. J. Fisher, patroness, assisted by Mrs. N. B. Blair, Mrs. Kramer and Mrs. C. C. Rublee; Cong'l church, Mrs. H. C. Fisk, patroness, assisted by Miss Anna Bell, and young ladies; Graded school, Mrs. C. H. A. Stafford, patroness, assisted by Misses

Tyndall, Taylor and Brigham; Trains, Mrs. Otto S. Raspe, patroness, assisted by Misses Slocum and others; Mrs. A. A. Niles, chairman of school districts; Advertising and Posters, Judge G. M. Powers, Dr. G. L. Bates, Dr. P. L. Barnes and A. W. Stone.

Concerning Hospital Fund There seems to be an erroneous impression abroad in regard to the ultimate purpose to which the Tag Day fund is to be devoted.

The ladies who started the movement did so under the auspices of the Woman's Club. However, it was thought best by some of the helpers that the matter be taken up as one of general interest, rather than that the work be done in the name of the club. The investigators of the idea did not care under what name or under the direction of what organization the enterprise was pushed, if it could only move with some degree of success. A meeting was called upon very short notice and at this impromptu gathering it came naturally that the president of the Woman's Club was made temporary chairman and Mrs. W. A. Beebe temporary secretary and treasurer. It was clearly set forth that this was a work toward the securing of a General Hospital to be located in this town in the not far distant future. The false notions which are afloat concerning this as any one man project, are the ones we wish to correct.

Tag Day was not observed at the suggestion of any person either directly or indirectly in line to be connected with such an institution.

The intention in its observation was to form a nucleus around which a General Hospital may grow—a hospital where any and all of our doctors may take patients and render services upon equal footing. We hope that not only the doctors of this town but that all the doctors in good and regular standing in the profession from any part of Lamoille County may be granted the same privilege.

At an early date a general meeting of all interested men and women will be called at which time an organization will be duly formed and the proper officers elected. Affairs will then be in condition to accept funds and contributions, also the very generous offer of a most desirable building site from our respected townsman, George W. Clark.

The Tag Day money will be placed in the bank awaiting further action.

A PROMOTER OF TAG DAY.

A Communication

Editor News and Citizen:—Many people, when the subject of a hospital is discussed, connect it with

something very expensive and complete. The establishing of one in Morrisville does not necessarily mean such, and on the contrary can be very modest in character and equipment.

No arguments are required as to the advantages that accrue from the presence of a hospital in any town. Emergency and operative cases can be given much better care and attention. The same can be said about strictly medical cases. Many homes do not offer for serious and critical medical cases the equipment, etc., that a hospital can offer. The hospital is an adjunct to the home and is intended for critical cases that the medical attendant would prefer to treat with all the help as regards nursing, sanitary surroundings and operative equipment, that the hospital could offer. The hospital is not a competitor of the home but would be intended for only such cases as many, perhaps a majority of homes, cannot properly take care of.

In my opinion the establishing of a hospital should receive the unanimous support of the medical profession. I think it is a subject on which we should all be in accord, and as far as I have been able to look the matter up, the medical arguments against the starting of a hospital are largely ambiguous and indefinite. A hospital is a help to both patient and medical attendant. Any doctor could make use of it and would have as complete control over his case and its conduct as though it were in the patients' home.

As to suggestions regarding the beginning, I would suggest the raising of, say fifteen hundred to two thousand dollars for the renting and equipping of a hospital. This amount could be raised by subscription reinforced by what help the different societies, religious and social, might give. The further support to keep the hospital open could be obtained by every adult in Morrisville becoming a member of the Morrisville Hospital Association on subscribing one dollar each, yearly. This, together with the hospital fees that pay-patients would contribute, would support it.

Yours truly, A. J. VALLEAU

Pangle-Knight

Tuesday afternoon at one o'clock, at the home of Mr. and Mrs. C. A. Rand on Laport road occurred the marriage of their niece, Miss Elda M. Knight, daughter of Mrs. Hannah Knight of Wolcott, to Mr. William D. Pangle of Syracuse, Kansas, Rev. C. C. St. Clare of the Cong'l church of Morrisville officiating. The wedding was a quiet affair and nicely arranged, only relatives and a few near friends being present. The parlor was tastefully arranged for the event and refreshments were served following the ceremony.

Mr. and Mrs. Pangle will spend their honeymoon in Texas, where Mr. Pangle will be employed for the present. Miss Knight has always resided in Wolcott and has a very large circle of friends in this vicinity, who will extend best wishes and congratulations.

Wedding Anniversary

Last Saturday evening the pleasant farm home of Mr. and Mrs. L. E. Bliss in the south part of town was the scene of a happy gathering, when about eighty of their friends called to assist in the celebration of their 15th wedding anniversary. It was a very enjoyable occasion, the evening being spent with games, visiting and refreshments. A purse of money was presented them by the visitors, E. S. Robinson making the presentation and both Mr. and Mrs. Bliss responded.

Death of Edwin Spiller

Word was received here last Saturday of the death, Friday, in Pasadena, Calif., of Edwin E. Spiller, son of Mrs. Elvira Spiller and brother of Calvin A. Spiller of Morrisville. The deceased went to California seven years ago this fall, on account of poor health, the change in climate proving beneficial and doubtless prolonging his life. He had been unable to work since a year ago last spring and death was due to tuberculosis and complications. The funeral was held, Sunday, interment being in Pasadena, at the request of the deceased. Mr. Spiller was 44 years of age and a native of Morrisville, where he lived practically his whole life until his removal to California. He was a citizen of sterling worth and held in high esteem by a large circle of friends in this vicinity, where the news of his death will cause deep regret. He was a member of the order of Odd Fellows, having joined the lodge at Hyde Park. He is survived by a wife in California, who was formerly Miss Mae Spaulding, a sister of Mrs. S. B. Waite of Hyde Park.

Slayton-Metcalf

Announcements have been received here of the marriage of Edmund Elliott Slayton to Miss Edith Metcalf, daughter of Mr. F. E. Metcalf, at the bride's home in San Francisco, Calif., on Thursday, Oct. 22. Mr. and Mrs. Slayton will be at home at 170 Sixth Avenue, San Francisco. The groom, who is a nephew of H. A. Slayton of Morrisville, was formerly a popular drug clerk here. His many Vermont friends will join this paper in extending heartfelt congratulations.

HYDE PARK

H. M. McFarland returned last Friday from his New Jersey trip.

Mrs. R. J. Giblet is stopping at present at the home of Mrs. Lucy Harris.

The Odd Fellows worked the second degree upon a candidate last evening. There was a good attendance.

Walter Hill is home from Milton for a few weeks. He had the misfortune to injure his lame leg recently and is now taking an enforced vacation.

The funeral of S. W. Beaulac, took place from St. Teresa's church on Friday last, Rev. Fr. Lachance officiating. The burial was in the new cemetery.

Lyman Minor is building a cottage on his land near the covered bridge on Creamery Ave. It is 12x16 and is to be occupied by his hired man, Walter Sanborn.

At the Rebekah's meeting last Wednesday evening two were initiated into the mysteries of the order, after which refreshments were served, followed by a social hour.

At a meeting of the Cemetery Association, held last Friday with Mrs. Effie Wood, Mrs. Mary Buckham was elected Treasurer to take the place made vacant by the resignation of Mrs. Hulburd, who has left town.

Hallowe'en pranks were not as numerous as on previous occasions. A few were remembered—the editor receiving a baby carriage. Now if they had only brought along an occupant for the same there would have been no kicking on our part.

The Odd Fellows are making great preparations for their district meeting to be held here Tuesday evening, the 17th. It is expected that several grand lodge officers, in addition to good delegations from the two Hardwick lodges, will be present.

Bert Crowell and Dora Flemming were married Oct. 22, by Rev. W. R. Hamlin. Last Thursday evening they were given a serenade by the "cathumpian band," at the residence of Edw. Styles. Cigars have been and are now being smoked at Bert's expense.

Do not forget the men's supper—that is the supper to be given by the men—at the Cong'l church to-night. Everything is arranged for a grand spread and the feast will be served in the latest up-to-date manner. After supper there will be a literary and musical entertainment. Everybody cordially invited.

The Misses McFarland entertained a number of their young friends at a Hallowe'en party on Saturday evening last. The entertainment was made up of games suitable to the occasion and much fun was created by the grotesque maneuvers of all. Choice refreshments were served and the event was greatly enjoyed.

It looks as though the days of "walking around the Horn" were numbered. A bill has been introduced in the legislature fixing people for walking on the railroad track and is quite certain to pass. So long as there is a road almost parallel to the track it will not be so bad; yet it will be strange to be obliged to cut out the track when taking a "constitutional."

Election returns were received here at the County Clerk's office. They were slow in coming in at first, but from the beginning indications pointed toward a republican victory. A goodly number of Democrats were present and they took the "chaffing" good naturedly. The crowd stayed until midnight. Crackers and cheese, apples and sweet cider were served.

Word received here Saturday announced the death of Edwin Spiller at Pasadena, Calif., on Friday last. The particulars have not yet been received, but it is supposed that tuberculosis was the cause of death. Deceased was a brother-in-law of Mrs. Lettie Waite of this place. He was a member of the Odd Fellow's lodge here and the N. E. O. P. organization of Morrisville.

Mrs. Lucy Harris went to Enosburg Falls last week, called there by the illness of her father-in-law, Mr. Harris. Word received from there Monday stated that Mr. Harris died Sunday afternoon from pneumonia. The funeral was held Tuesday. Mr. Harris, who occasionally visited his son William, made many friends here. He was highly respected in his home.

A law-suit before Justice Waite on Monday last created much interest. It was David Trudo and wife against Joseph Collett. The controversy was over Collett's cattle feeding along the roadside allowing them to graze as they went, adjoining Trudo's premises last summer. It seems that Collett, in order to reach his pasture, some 60 or 70 rods distant, drove his cows along the road-side. Trudo claimed pay for this, claiming that the grass eaten belonged to him. E. B. Sawyer appeared for Trudo and R. W. Hulburd for Collett. The jury was made up of E. L. Noyes, W. N. Putnam, D. A. Gray, Merritt Lee, J. S. Leach and Donald Scribner. Several witnesses were examined pro and con and the case hotly contested. The jury, after due and deliberate consideration, returned a verdict for Collett.
